**PETITION TO ACCEPT AMENDMENT AS TIMELY FILED AND RESCIND NOTICE OF
ABANDONMENT**

Sir:

In the above-identified application, we have received from the Patent Office a Notice of Abandonment dated 02/08/2005, due to applicant's failure to respond to the Office Action dated 15 June 2004 (Copy of Notice enclosed).

Applicant timely filed, with a certificate of mailing, a response to the outstanding Office Action, with a three-month time extension petition, on December 7, 2004. A copy of the amendment as filed and a postcard date stamped by OIPE are enclosed.

Applicant notes that the serial number had a transposition which may have caused the response to be matched with the wrong file. The response incorrectly references serial number 09/142,542. The correct serial number is 09/142,452. However, all other information is correct, which would not have matched the information for serial number 09/142,542 if the response was matched with that file.

Proof of mailing is affirmed by the certificate of mailing shown on the first page of the amendment as filed as well as the postcard submitted with the amendment

It is respectfully requested that the amendment be considered timely filed pursuant to its certificate of mailing and that the abandonment be rescinded. Additionally, should a fee be required, now or in the future, the Commissioner may charge such fee to deposit account 02-1653.

Respectfully Submitted,
